

Top Tips & FAQs – What you need to know...

We are here to ensure your party runs as smoothly as possible. Over the years we have seen what works and what doesn't so let us help you! We are all qualified in hair, make up and nails.

All our parties require space, good lighting, a plug socket, a table and parental supervision, everything else we bring with us! You can see how we set up in the picture opposite. Once you have decided on which package and services you want we will send you (either by email or by post) our personalised invitations & disclaimer forms. **All parents are required to complete the disclaimers as per our insurance requirements.** We will always confirm via email or text a week prior to the party so you know we haven't forgotten about you!

We arrive approximately 30 minutes prior to the party, this gives us time to set up and undertake the extra party girl service. There is usually only one stylist and although she will be 'in charge' of the party, she is not there to supervise the children. The host parent needs to be available at all times to keep an eye on things.

In our experience parties *always* start a little late (due to late arrivals, present opening and general excitement) so **please be aware, a late start means a late finish!** We usually start with an introduction to the activities – our standard packages include a competition (with prizes), bracelet making (they get to keep the bracelets), magazines, gift bag and perfume 'bar'. Once the girls are doing the activities we start on the makeovers! Towards the end of the makeovers, we will let you know that the girls are ready for their end of party photos!

Girls absolutely love our makeover parties – it is all about fun and we look forward to making your daughter's day special! We also do parties for teens and ladies too. Our makeup and manicure lessons are a giggle a minute but informative too!

Top Tips:

- ♥ *Keep your camera at the ready!*
- ♥ *Keep the food to simple nibbles*
- ♥ *Have another form entertainment eg: Music Video or Wii game ready*
- ♥ *To avoid a late start – ask people to arrive 15 minutes early and have non-alcoholic cocktails on arrival!*
- ♥ *We quote timings on how long our makeovers will last – please ensure there is enough time for Happy Birthday, Photos, Food etc at the end*

FAQ's

Question	Answer
Does an adult have to be present during the party?	YES!
Do all children have to have a signed disclaimer?	YES!
When should I serve food?	I recommend light nibbles during the makeover party followed by more substantial food <i>after</i> the party.
Should I have any activities planned?	The girls will sometimes finish our activities quickly so it is always worth having a backup plan – Wii or dance games where the girls can join in as they wish. Music videos also work well during the party.
Do you have an option for boys?	Yes we do. Check out our packages.
How much mess is made?	Our glitter & pink feather boas do get everywhere. Please inform us if this is a problem!
You said your makeovers will last 2 hours, how long should the party be?	Assume that the party will start later than the invite says and always leave room for photos and food at the end. So for example: Invitation time is 2pm but starts at 2.15pm due to late arrivals! Two hours of makeovers and then 30 minutes for photos, food etc. The party will be finishing around 4.45 - 5pm!
When do you need paying?	We do not ask for a deposit however we ask for cash on the day or full payment by cheque five working days prior to your party.
Do you have a minimum charge?	Yes, we charge a minimum of £50 per party.
What makes your company different?	I am not a franchise. I care about how your party goes. All our stylists are fully qualified and trained by myself! We maintain high quality of hygiene (using disposable & disinfected items).
What areas do you cover?	We will cover a 20 mile radius from Burton on Trent however we will travel further but will charge between 50p & £1 per mile outside of this core area.

Feel free to contact us if you have any further questions: you can contact us at info@girlglammo.co.uk or telephone: 07528 275 764.
